

School Community Council Minutes

In attendance: Brenda Sim, Christine Mikkelson, Stephanie Pierson, Natalie Thomas, Nikki Zyp, Denise White,

1. 6:00 PM Stephanie moved to call the meeting to order. Christine 2nd the motion.

We sent out the last meeting notes and they were approved.

2. Internet Safety Night Review – November 15, 2016 6:30-8:00pm

- ◆ The computer lab being open was helpful for many parents.
- ◆ Sooner than later was better, all the announcers in one room was better.
- ◆ Other schools pair the night with other options like How to Read the Report Card, Computer lab, a speaker, Literacy station, Homework, etc.
- ◆ We reviewed lots of ideas including kids making posters, parent night, and a bulletin board. The group likes to have parents to the school and would like to continue the parent night but maybe pair it with other things.
- ◆ It is very helpful to be with other parents and becoming aware of internet safety issue.
- ◆ Schedule next year at SCC meeting in May. Have a display at back to school night.

3. Review of SNAP plan and Safe Walking Routes

- The safe walking routes and map have not changed since last year. SCC members were asked to talk to the community and report back concerns to Julie Winfree by Wednesday, Jan. 18th. The suggestions so far are:
 - to repaint crosswalks on 1800 East at the entrance of the drop off lane.
 - remind Cottonwood Heights that many of the bus stops are at spots where there are not driveways and kids are standing on the roads. It has been requested for the City to look at the bus stops to be moved to safer spots. If they can not be moved, can a cement pad be poured for the students to stand on.
 - A request to have the safe walking routes plowed first.

4. Quick Review of CSIP data from last year

- The Final LandTrust report was reviewed. Progress has been made with behavior with the addition of the behavior aides and professional development of faculty on strategies to use for behavior. We will start looking at current data in February and March to complete the LandTrust plan.

Tuesday, January 10, 2017

5. Other Business -

NEXT MEETING:

- Wear name tags
- Feb. 7th - plan on a longer meeting - bring a snack

Meeting Adjourned 7:00 PM
