1. **Approval of Minutes** – motioned by Amy and seconded by Nikki.
2. **SNAP Plan** – an incentive to get kids to walk to school with prizes such as bikes, scooters, etc. However, it is not necessarily safe for kids to walk across some of the major streets by our school to get here. Logistics are still up for discussion.
3. **Cell Towers** – approved / **School Sign** – the sign is still waiting to be approved
4. **Legislative Session**- ended – but we should continue to read up on proposals.
5. **Behavior Tracking** – In 2016 there were 280 office referrals, in 2017, there were 120. Discussion on levels for office referrals (1 – small, minor offenses 2 – situations that can still be handled in the classroom with the teacher 3 – moderate offenses, an office referral is made 4 – a major offense, also referred to the office.) A document containing a breakdown by race, gender, grade level, and then offense level is reviewed and discussed.
6. **CSIP/Land Trust Money** – goal: phonemic awareness and phonics. Next month we are bringing in a math specialist from the district to do a teaching demo with math manipulatives to demonstrate best practices during math instruction. The 2018-2019 School Plan & Land Trust Budget notes will be attached to these minutes for more thorough annotation.
7. **Budget Review** – a thorough breakdown of our new behavior system & tracking.
8. **Safety** – discussion of the repercussions from the Florida school shooting last month and the walk-out that students participated in today.
