Any Updates to SCC roster? None at this time. If there are any updates, please contact Julie.

Professional development expenditures needed to support goals: There has not been as much professional development but the funds are being used for parent teacher conferences and the building leadership team will be meeting to plan for next year's goals. There are opportunities to do continue professional development through the district as well as the state has had professional development for staff to do.

Discuss Child Access Routing Plan (SNAP) if applicable: We have submitted it early. The website is still being updated so Julie will send us the final copy once it is approved.

Final summary of current TSSP and Land Trust Report: Julie covered it. We are doing well

Updates of COVID related precautions and restrictions: The district has new guidelines for mask guidelines. Ridgecrest is doing well but it means we need to continue to be vigilant.

Valentine Day- parent input: There will be no boxes sent in, teachers will help provide an envelope/bag for valentines to be collected. We are asking for the Valentine's to be sent in on Tuesday (Valentines Parties are on Thursday). Valentine's will not be opened at school and parents will be able to decide how the students handle opening them. It is grade level determined how the "party" will go.

Digital Citizenship Plan- online, Ashley to make presentation and Julie will send it out. Students will be doing digital citizenship during February through media specialists (Librarians).

Next Meeting: February 11th at 4:00 PM,

Meeting Adjourned: 4:50 PM
